

## Appendix C-6. Status of TMDL Development in Illinois, 2020/2022

| Cause Abbreviations |   |
|---------------------|---|
| <i>Abbreviation</i> | <i>Cause</i>  |
| Ag                  | Silver  |
| AltStream           | Alteration in Stream-side or littoral vegetative covers |
| AqPlants            | Aquatic Plants  |
| B                   | Boron   |
| BOD                 | Biological Oxygen Demand                                |
| BOD, carb           | Biological Oxygen Demand, carbonaceous                  |
| Cd                  | Cadmium   |
| Cu                  | Copper  |
| DO                  | Dissolved Oxygen  |
| E.coli              | Escherichia coli (E. coli)                              |
| FC                  | Fecal Coliform  |
| Fe                  | Iron  |
| Fe (dis)            | Iron, Dissolved   |
| Hg                  | Mercury   |
| Mn                  | Manganese   |
| Ni                  | Nickel  |
| N-Nitrate           | Nitrogen, Nitrate                                       |
| PCBS                | Polychlorinated Biphenyls                               |
| Sed/Silt            | Sedimentation/Siltation                                 |
| TDS                 | Total Dissolved Solids                                  |
| TN                  | Total Nitrogen  |
| TSS                 | Total Suspended Solids                                  |
| UnAmmonia           | Ammonia, Unionized                                      |
| Zn                  | Zinc  |
